

YMCA Membership For All

MEMBERSHIP FOR ALL

Income-Based Rate Scale

What is the “Membership For All” program?

The heart of the YMCA’s mission is to reach out and serve all people in our communities. Because the YMCA is community-based and believes that its programs and services should be available to everyone, we offer the “Membership For All” Program. This program offers a sliding fee scale that is designed to fit the financial situation of each individual and family in our community.

How do I apply?

Contact the Carl H. Lindner YMCA and complete a membership application. Verification of income will need to be provided by submitting a copy of your most recent tax return so that the amount of your membership fee can be determined.

Membership fees will be reviewed for eligibility once a year.

Who will see the financial information?

Personal financial information is handled in a confidential manner and will be seen and reviewed only by YMCA staff. No information is shared with any other agency or organization.

Community Service Grant Program

What is the Life Building Program?

Carl H. Lindner provided funds so the YMCA of Greater Cincinnati could provide residents of the West End who could not afford to join the YMCA an opportunity to participate and become members. The Life Building Program is a community service grant program based on your income and your ability to give back to the YMCA of Greater Cincinnati with your time and talents in exchange for reduced membership or camp fees.

Who is eligible for the Life Building Program?

Anyone who lives in the Carl H. Lindner YMCA service area and who can complete at least four service projects within a year is eligible.

Membership fees will be reviewed for eligibility once a year.

How much will I have to pay for membership?

The membership rate is based on your household income. The table below will be used to determine the amount you will be expected to pay on a monthly basis. The Life Building program grant pays the remaining portion of your membership fee in return for volunteer work.
